To the bondholders in:

ISIN NO 001 067044.1 - FRN Siem Offshore Inc. Senior Unsecured Bond Issue 2013/2018

Oslo, 20 November 2017

Summons to Bondholders' Meeting

Nordic Trustee AS ("**Bond Trustee**") acts as trustee for the holders of bonds (the "**Bondholders**") in the above mentioned bond issue with ISIN NO 001 067044.1 (the "**Bonds**" or the "**Bond Issue**") issued by Siem Offshore Inc as issuer (the "**Issuer**"). The Issuer and its subsidiaries are together referred to as the "Group".

Capitalised terms used herein shall, unless otherwise specified, have the same meaning as in the agreement dated 28 January 2013, as amended and restated on 28 June 2017, between the Company and the Bond Trustee, in respect of the Bond Issue (the "**Bond Agreement**").

The information in this summons regarding the Issuer and market conditions are provided by the Issuer, and the Bond Trustee expressly disclaims all liability whatsoever related to such information.

The Issuer has requested the Bond Trustee to summon a Bondholders' Meeting to consider the approval of the Proposal as further set out and defined under clause 2 below.

1. BACKGROUND

Due to the current oil price, offshore activity level and excess supply of OSVs, the downturn in the OSV market is expected to last for several years. Although the Issuer is better capitalised than most of its Norwegian competitors, it is in the Issuer's and its creditors' interest to take early action and establish a predictable financial position through the downturn.

The following steps, *inter alia*, have been made to improve the financial situation of the Issuer:

- USD 100 million of cash equity was injected during the third quarter of 2015;
- USD 22 million of cash equity was injected during the second quarter of 2017; and
- the Issuer has extended the USD 60,000,000 revolving credit facility agreement from Siem Industries Inc.

The Issuer has discussed making certain changes to its financing arrangements with its European banks. These changes may involve reduction of margin, extension of balloon

payments and certain covenant relief under the Group's bank facilities. As part of these discussions, the Issuer is also considering strategic alternatives, which may involve the sale of certain assets and the use of the proceeds of such sales to make down-payments on the bank debt.

In connection with these contemplated changes, the Issuer proposes that the Bond Issue will be exchanged into a 5 ½ year convertible bond issue (the "**New Bond Issue**") as further detailed in section 2 below. This proposal is not subject to any of the contemplated transactions described above. The Issuer will simultaneously propose that the FRN Siem Offshore Inc. Senior Unsecured Bond Issue 2014/2019 is exchanged for bonds in the New Bond Issue, but the Proposal is not subject to the bondholders meeting under that bond issue approving such exchange.

2. THE PROPOSAL

In accordance with Clause 16.2 of the Bond Agreements, the Issuer has approached the Bond Trustee to convene a Bondholders' Meeting in order to obtain the Bondholders' approval to the proposal below, pursuant to the authority given to the Bondholders' Meeting under Clause 16.3 of the Bond Agreement.

The Issuer proposes the Bondholders' Meeting resolve to approve the terms set out in this clause 2 (the "**Proposal**"):

- All bonds under the Bond Issue will be exchanged for convertible bonds under the New Bond Issue. The interest accrued for the period up until the exchange will be settled in cash.
- The main terms of the bond agreement relating to the New Bond Issue will be as per the term sheet attached as Annex B hereto (the "**Term Sheet**"), and *inter alia* as follows:
 - Exchange at 80 % of par value
 - 2 % interest
 - Conversion price at NOK 3.00 per share
 - The bonds will be senior unsecured debt ranking *pari passu* with other unsecured debt.

If there are any discrepancies between this Summons and the Term Sheet, the Term Sheet shall prevail.

3. CONDITIONS

Implementation of the Proposal is subject to the following conditions precedent ("**Conditions Precedent**") being satisfied or waived:

1. Approval by the Bondholders' Meeting.
2. Approval of the board of directors of the Issuer.
3. The execution of an amended and restated Bond Agreement.
4. Delivery to the Bond Trustee of customary conditions precedent documentation.
5. All costs and fees incurred by the Trustee having been paid in full.

If the Conditions Precedent are not fulfilled or waived within 30 January 2018, the terms and conditions of (including any amount immediately due and payable under) the Bond Agreement shall remain as if unchanged, and any waiver given herein or pursuant to the terms of the Proposal shall be treated as not given.

4. AUTHORISATION OF THE BOND TRUSTEE

The Bondholders' Meeting irrevocably authorise the Bond Trustee to negotiate, agree, execute and deliver, on behalf of the Bondholders, any document, agreement and/or instrument as the Bond Trustee (in its sole discretion, but with a duty to negotiate in good faith towards the Issuer) may deem required in order to effect any of the transactions contemplated by the Proposal, in each case, without any liability for the Bond Trustee or its employees except in the case of the Bond Trustee only, fraud or wilful misconduct.

5. NON-RELIANCE

The request is put forward to the Bondholders without further evaluation or recommendations from the Bond Trustee. The Bondholders must independently evaluate whether the proposed changes are acceptable.

For practical purposes, we request those who intend to attend the bondholders' meeting, either in person or by proxy other than to Nordic Trustee, to notify Nordic Trustee by telephone or by e-mail (mail@nordictrustee.com) within 16:00 hours (4 pm) (Oslo time) the Banking Day before the meeting takes place.

Yours sincerely
