Notes

The company was incorporated in February 2013 and acquired the vessel "Oceanic Champion" in April 2013 in connection with a group-refinancing. "Oceanic Champion" is employed on a long term bareboat contract with the seismic operator CGG until 06/2020.

Due to adverse market conditions in the seismic sector, the company agreed in March 2017 to amend the bareboat contract by reducing charterhire payments for the remaining term. The reduced charterhire was partly compensated by the issuing of CGG notes in favour of the company. The notes were issued in March 2017 and sold in the market at prevailing market price for CGG assets.

1) Vessel

M/V "Ocean Champion" was acquired by Oceanic Champion AS at MUSD 108,6. The vessel is depreciated based upon a liftime of 25 years. The contract element of the vessel value is depriciated over the remaining contract period.

2) Other financial assets with CGG

Other financial assets are financial transaction cost which is depreciated over the bond loan term; i.e. 7 years

3) Bond loan

To finance the acquisition of the vessel in 2013 the company secured a fixed interest USD bond loan in the amount of MUSD 70 repayable over seven years. The original repayment plan secured the loan to be repaid before the CGG contract expired. The repayment plan was amended in March 2017 as a consequence of the amended bareboat contract with CGG. Going forward the loan will be repaid in line with the company's earnings. In connection with the sale of the CGG notes an extraordinary repayment of the loan was made with about MUSD 5. Upon expiry of the contract the estimated loan balance is about MUSD 0,6.

4) Share Capital

All shares are held by the Norfield Group
