Bond Issue 2014/2019**

Oslo, 6 December 2017

Summons to Bondholders Meeting – Partial early redemption and replacing existing Bond Agreement with a new amended bond agreement

Nordic Trustee AS (the “Bond Trustee”) is appointed as Bond Trustee for the holders of bonds (the “Bondholders”) in the bond issue with ISIN NO 001 0710 882 (the “Bonds” or “GENEL01”) issued by Genel Energy Finance plc (the “Issuer”) with a parent company guarantee from Genel Energy plc (“Genel” or the “Parent”, together with its subsidiaries the “Group”) pursuant to the terms of the bond agreement dated 14 May 2014 as amended and restated by an amendment 13 May 2015 (the “Bond Agreement”) between the Issuer, the Parent and the Bond Trustee.

All capitalised terms used, but not defined in this summons, have the meanings given to them in the Bond Agreement.

The Issuer and the Parent have requested the Bond Trustee to summons a Bondholders' Meeting to consider a partial early redemption for cash and amending the existing Bond Agreement as described in section 1 and 2 of this summons.

The information in this summons regarding the Issuer, the Parent and market conditions is provided by the Parent and the Bond Trustee expressly disclaims all liability whatsoever related to such information.

1 BACKGROUND

The Issuer has approached several of its largest Bondholders with a proposal for a refinancing of GENEL01 through (i) a debt reduction and partial early cash redemption in the amount of USD 121.8 million at 103% of par value, and (ii) by replacing the Bond Agreement with new terms for the remaining, outstanding Bonds on the basis of the Refinancing Term Sheet (as defined below).

The Issuer and the Parent propose to change the issuer of GENEL01 as both the Parent and the treasury company of the Group are Jersey residents. Consequently, the Parent prefers that the issuer of GENEL01, raising debt based on the credit quality of the Group and on-lending the cash to the treasury company, is also a Jersey resident. Thus, the new bond terms (the “**New Bond Terms**”) will be entered into between Genel Energy Finance 2 Limited, being a wholly owned subsidiary of the Parent, as the new issuer and the Bond Trustee on behalf of the Bondholders, and will replace the existing Bond Agreement. The New Bond Terms will be based on the Refinancing Term Sheet attached as schedule 2 hereto.

In the Proposal, the Group seeks to reduce its existing bond debt from the currently outstanding USD 421.8 million to USD 300 million, and at the same time extend maturity to 5 years from implementation of the New Bond Terms. Bondholders holding a significant proportion of the Bonds have confirmed their commitment to vote in favour of the Proposal.

Bondholders will receive accrued interest on all Outstanding Bonds from the Interest Payment Date in November 2017 to, but not including, the implementation date for the New Bond Terms, expected on or around 22 December 2017 and on the same date receive on a pro-rata basis a partial early redemption of USD 121.8 million in cash at the prevailing call premium of 103% of par value (the “**Cash Redemption**”). Consequently, Bondholders will receive approx. 29% cash consideration through the Cash Redemption. The remaining USD 300 million of Bonds will remain outstanding with the same ISIN, subject to terms and conditions of the New Bond Terms. The New Bond Terms shall be based on, and conform to, the term sheet attached in Schedule 2 hereto (the “**Refinancing Term Sheet**”).

The New Bond Terms will contain the same terms as GENEL01 Bond Agreement, adjusted for the Refinancing Term Sheet, and being based on the Bond Trustee's new standard form of bond terms. The main changes from the Bond Agreement can be summarized as follows:

- Change of Issuer to Genel Energy Finance 2 Limited (new SPV under Jersey law with sole purpose of being issuer under the New Bond Terms);
- Issue Amount reduced from USD 421.8 million to USD 300 million (by way of an early redemption at 103% of par value);
- Maturity Date deferred from 14 May 2019 to the fifth anniversary of the implementation date of the New Bond Terms, expected to be on or around 22 December 2022;
- Coupon increased from 7.50% to 10.00% p.a. from the implementation date of the New Bond Terms with quarterly interest payments as opposed to semi-annual interest payments (new interest payment dates in March, June, September and December each year);
- Further restrictions on dividends by adding 50% of net profit limitation as well as an increased threshold for minimum Liquidity of USD 200 million post dividend paid;
- Further restrictions on incurring additional financial indebtedness, in particular on the Restricted Subsidiaries;
- Limitations to spending on the Miran & Bina Bawi gas projects;
- Stricter mandatory prepayment provisions including full protection of any sale of the Tawke PSC interest;
- Maintained financial covenants except for minimum liquidity which is reduced to the higher of USD 30 million or 12 months of interest;
- Inclusion of a procedure for written resolutions for decision making among the Bondholders;
- Nominal Value reduced from USD 200,000 to USD 1;
- Reset of call schedule to non-call 3 years and market-based call provisions thereafter; and
- Genel Energy Netherlands Holding 1 Coop B.A., Genel Energy Netherlands Holding 2 B.A. and Genel Energy International Ltd. as additional guarantors, with Genel Energy plc and Genel Energy Holding Company Limited as remaining original guarantors.

The Group views the Proposal as attractive for Bondholders, as it deleverages the Group's balance sheet through a prudent use of its current liquidity position while maintaining a healthy financial situation and low leverage towards key assets. Furthermore, the Proposal secures a longer term financing platform for the Group.

2 The Proposal

Based on the above background and the Term Sheet, the Issuer proposes that the Bondholders adopt the following proposal (the “**Proposal**”):

- The Bondholders to: approve the Refinancing Term Sheet, attached as schedule 2 hereto; and

- approve the Cash Redemption as described under section 1 above.

Accrued interest on the Outstanding Bonds (7.5% per annum) from the Interest Payment Date in November 2017 to, but not including, the implementation date for the Proposal, expected on or around 22 December 2017, will be paid in cash to Bondholders as part of the Cash Redemption.

The effectiveness of the Proposal and entering into effect of the New Bond Terms shall be subject to completion of the New Bond Terms and other documentation for replacement of the GENEL01 Bond Agreement and other customary closing conditions as further set out in the Refinancing Term Sheet.

3 Non-reliance

The Proposal is put forward to the Bondholders without further evaluation or recommendations from the Bond Trustee and nothing herein shall constitute a recommendation to the Bondholders by the Bond Trustee. The Bondholders must independently evaluate the Proposal and vote accordingly. It is recommended that the Bondholders seek counsel from their legal, financial and tax advisers regarding the effect of the Proposal.

5 Bondholders' Meeting

The Bondholders are hereby summoned to a Bondholders' Meeting.

Time: 20 December 2017 at 09:00 hours (Oslo time)

Place: The premises of Nordic Trustee AS
Haakon VII's gate 1, Oslo – 6th floor

Agenda:

1. Approval of the summons.
2. Approval of the agenda.
3. Election of two persons to co-sign the minutes together with the chairman.
4. Approval of the Proposal:

It is proposed that the Bondholders' Meeting resolve the following:

"The Bondholders' Meeting approves the Proposal as described in section 2 of the summons to this Bondholders' Meeting.

The Bond Trustee is hereby authorized to take the relevant steps on behalf of the Bondholders in connection with the implementation of the Proposal, including without limitation to prepare, finalize and enter into the necessary agreements and other documentation deemed appropriate and take such further actions which are necessary to execute the Proposal."

To approve the above resolution, Bondholders representing at least 2/3 of the Bonds represented in person or by proxy at the Bondholders' Meeting must vote in favour of the resolution. In order to have a quorum, at least 5/10 of the voting Bonds must be represented at the Bondholders' Meeting. If the proposal is not adopted, the Bond Agreement will remain unchanged.

Please find attached a Bondholder's Form from the Securities Depository (VPS), indicating your bondholding at the printing date. The Bondholder's Form will serve as proof of ownership of the Bonds and of the voting rights at the Bondholders' Meeting. (If the bonds are held in custody - i.e. the owner is not registered directly in the VPS - the custodian must confirm; (i) the owner of the bonds, (ii) the aggregate nominal amount of the bonds and (iii) the account number in VPS on which the bonds are registered.)

The individual bondholder may authorise the Bond Trustee to vote on its behalf, in which case the Bondholder's Form also serves as a proxy. A duly signed Bondholder's Form, authorising the Bond Trustee to vote, must then be returned to the Bond Trustee in due time before the Bondholders' Meeting is scheduled (by scanned e-mail, telefax or post – please see the first page of this letter for further details).

At the Bondholders' Meeting votes may be cast based on bonds held at close of business on the day prior to the date of the Bondholders' Meeting. In the event that Bonds have been transferred to a new owner after the Bondholder's Form was made, the new Bondholder must bring to the Bondholders' Meeting or enclose with the proxy, as the case may be, evidence which the Bond Trustee accepts as sufficient proof of the ownership of the Bonds.

For practical purposes, we request those who intend to attend the Bondholders' Meeting, either in person or by proxy other than to the Bond Trustee, to notify the Bond Trustee by telephone or by e-mail (mail@nordictrustee.com) within 16:00 hours (4 pm) (Oslo time) the Banking Day before the Bondholders' Meeting takes place.

Yours sincerely
Nordic Trustee AS
