Oslo, 26 May 2020

SUMMONS TO BONDHOLDERS' MEETING

1 INTRODUCTION

Nordic Trustee AS (the "**Bond Trustee**") is appointed as bond trustee for the bond issue with ISIN NO 0010713274 (the "**Bonds**") issued by Havyard Group ASA ("**Havyard**" or the "**Issuer**") pursuant to the terms of the bond agreement dated 11 June 2014 with respect to the Bonds, as amended by an Amendment Agreement No. 1 dated 30 June 2016, an Amendment Agreement No. 2 dated 30 March 2017, an Amendment Agreement No. 3 dated 27 December 2018, an Amendment Agreement No. 4 dated 29 November 2019 and an Amendment No. 5 dated 30 March 2020 (together the "**Bond Agreement**") between Havyard as the bond issuer and the Bond Trustee (on behalf of itself and the holders from time to time of the Bonds (the "**Bondholders**").

Capitalised terms used herein and not defined shall have the meaning assigned to such terms in the Bond Agreement.

The information in this summons regarding the Issuer and market conditions are provided by the Issuer, and the Bond Trustee expressly disclaims all liability whatsoever related to such information.

2 BACKGROUND

The Issuer has approached the Bondholders to discuss and approve certain amendments to the Bond Agreement.

Reference is made to the Summons to Bondholders' Meeting dated 11 March 2020 and subsequent Bondholders's Meeting held the 25 March 2020 which approved waivers of certain covenants and a deferral of the scheduled March instalment under the Bonds until the Maturity Date.

Further reference is made to the stock exchange notice of 4 May 2020 where the company announced the completion of the transfer of 6 shipbuilding contracts, entered into by Havyard Ship Technology AS ("HST"), to New Havyard Ship Technology AS ("NHST"). As a result of these agreements, Havyard Group ASA has managed to find satisfactory solutions for all vessels ordered at Havyard Ship Technology AS, and this production program is fully financed. The shipyard business in Havyard Group ASA will be continued in New Havyard Ship Technology AS, and the group's further efforts in shipbuilding will be continued by this company.

As of 18 November 2019, when Havyard announced cost overruns and suspension of payments at Havyard Ship Technology AS, HST had entered into a total of 12 shipbuilding contracts for which Havyard Group ASA had undertaken obligations in respect of refund and performance guarantees. The total responsible of Havyard Group ASA by such counter guarantees was substantial and would have a substantial impact on the evaluation of the balance sheet of the Issuer.

By transfer of the last 6 vessels to NHST on revised terms in addition to previously announced agreements on 3 December 2019 and 23 March 2020, the refund obligations counter guaranteed by the Issuer have been substantially reduced.

The final negotiation and approvals of the agreements announced on 4 May 2020 have been more time consuming than anticipated. Furthermore, as a result of the extraordinary pressure on internal financial resources, the Issuer has rescheduled its Annual Report for 2019 to 10 June 2020. In order to allow more time to sufficiently evaluate the financial situation and the future strategy of the Issuer and thereby the premises for reaching an agreement for a revised payment plan of the Bonds, the Issuer has discussed with an ad-hoc group of Bondholders to extend the Maturity Date of the Bonds from 13 June 2020 to 13 September 2020.

The Issuer has agreed with the ad-hoc group that in addition to payment of interest according to the Bond Agreement due on 15 June 2020, payment of interest for the period 15 June 2020 - 14 September 2020 will be pre-paid as soon as practically possible following a positive vote at the Bondholders's Meeting, but under such conditions no later than 17 June 2020.

The implementation of the Proposal below shall be conditional upon reaching a similar agreement with DNB as lender under a NOK 55 million loan to the Issuer (the "**DNB Loan**") for the deferral of an instalment of NOK 15 million that was originally due in January 2020 and previously deferred to 13 June 2020. The Issuer is in good dialog with DNB concerning the matter, and expect to have the support of the bank as requested within the scheduled Bondholders` Meeting.

3 PROPOSAL

Pursuant to information as set out in Section 2 (Background), the Issuer proposes that the Bondholders adopt the following proposal (the "**Proposal**"):

The Bondholders approve that:

1. The Maturity Date of the Bonds is amended from 13 June 2020 to 13 September 2020. Any adjustment will be made according to the Business Day Convention.
2. The amendment of the Maturity Date as set out under item 1 in the Proposal, shall not be considered as a default of the Bond Agreement.
3. Accrued interest under the Bonds will be paid on the 15 June 2020 according to the terms and provisions of the Bond Agreement.

In addition, interest for the period 15 June 2020 - 13 September 2020 will be pre-paid as soon as practically possible following a positive vote at the Bondholders's Meeting, but under such conditions no later than 17 June 2020.

4. All and any financial covenants as set out in the Bond Agreement are suspended until 13 September 2020.

5. The Interim Accounts for the financial quarters ending until and including 30 June 2020 as set out in Clause 13.2.1 (d) of the Bond Agreement is suspended until 13 September 2020.
6. The cross-default provision as set out in Clause 15.1 (c) of the Bond Agreement is waived in respect of Havyard Ship Technology AS until 13 September 2020.
7. The Issuer and the Bond Trustee shall have the option to convert the Bonds issued under ISIN NO0010877343 into NO0010713274 at par.
8. The Bond Agreement shall include a new clause 16.5 Written Resolutions based on Bond Trustee's standard bond terms for corporate high yield bonds.

4 BONDHOLDER SUPPORT

The Issuer has notified the Bond Trustee that it has received support to the Proposal from Bondholders representing an aggregate of 39 per cent of the Outstanding Bonds.
